**I. NEW ACTIVITIES**

a. The first of a series of "workshop meetings" in order to revise evaluation techniques and methods was conducted at [redacted] with Phase II instructors on 16 October under the leadership of [redacted]. A program for constructing tests based on the "Agent Acquisition material" and particularly the case histories used was set up. A subsequent meeting is to be held 29 October.

b. The running of Phase III which ended on 16 October included for the first time a fair-sized portion of the new reporting material specifically created for the ultimate Phase III by Mr. [redacted].
